ORGANIZERS

SBK JUNIOR LEVICE

Basketball in Levice has had a long-standing quality in the youth categories, recognized throughout Slovakia. For several generations, we have managed not only to win a number of medals, but also to educate excellent basketball players, representatives of Slovakia. In the season 2019/20, we started common project of 1st league with the men's team BK Patrioti Levice. In the season 2021/22 we entered it with the team U23 composed of players from the junior team of SBK Junior and young players from BK Patrioti Levice, who also grew in SBK Junior Levice.

SBK Junior Levice has a pyramid of youth teams from preparation group aged from 6 to 9 years to teams which are as a part of all Slovak competitions from the smallest mini basketball players to juniors. In the last three seasons, we have also had girls in our preparations. In the 2018/19 season, our teams were among the top in Slovakia, when our cadets and juniors won the title of Champions of Slovakia. What is more there hadn't been the basketball club in Slovakia that had reached such result for 13 years before. Every year we have several representatives of Slovakia in the club, who take part in the European Championships in the category U16, U18, U20. We are often successful in EYBL CE. Our junior team (U20) reached 3rd place in the super final in the 2017/18 season and the cadet team (U17) in the 2018/19 season won all the matches in the qualifying groups in Hungary and Italy.

COOPERATION WITH PRIMARY SCHOOL, SARATOVSKA 85, LEVICE:

The club management, together with the coaches works systematically all year-round work. Therefore, anyone who is interested in sports, from the 1st grade of elementary school can get involved in pre-preparations. Older players can also join the teams in their category. In December, the school has organized the traditional Basketball with Mikulas for 30 years, which has been attended by more than 1,000 people annually. The goal is to reopen classes with extended basketball lessons at Primary School Saratovska 85 in Levice.
